

# AEROSPACE BUSINESS LINE

TRIGO Group's Aerospace Business Line has been acting as a "One stop hub on the Quality Airway" for more than 25 years. TRIGO delivers comprehensive solutions in the main aero assembly units and supplier sites across Europe, Asia and America with 800+ personnel of Expert Engineers and Quality Technicians. Due to TRIGO's large-scale operational experience in Quality Management and Inspection, as well as the cross-fertilization of its aerospace and automotive know-how, TRIGO Aerospace Business Line has developed a sophisticated solution delivery platform which is always ready to address the toughest Quality challenges of the global aerospace supply chain.

## EXPERTISE

- Structure
- Cabin
- Electrical Systems
- Mechanical Components

## PROGRAMS

**A320 A330 A340 A350**  
**A380 A400M ATR42/72**

## FLEXIBILITY, RELIABILITY, AUTONOMY

## 50+ GLOBAL CUSTOMERS

Airbus // Airbus Helicopter // Airbus Defense & Space // ATR // Daher Group // Dassault // Figeac Aero // Honeywell // Liebherr Aerospace // Ratier Figeac // Safran Group (Aircelle, Labinal, Snecma, etc.) // Stelia // Zodiac Aerospace

## ACTIVE MEMBER OF

## SERVICES

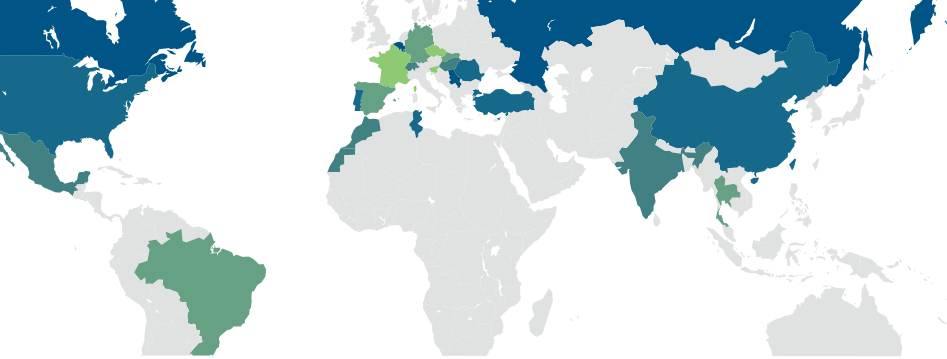

- Quality Management
- Quality Inspection in production (manufacturing line, FAL, etc.)
